Notes: _____

On February 21st at around 11:00 PM I heard knocks on my windows & door. I was asleep in my bedroom, so I was confused. Before I could tend the door, a Sheriff deputy entered my bedroom and at gunpoint asked me to go to the living room.

When I was in the living room, I saw Officer Rael and Officer Romero pointing their guns at me. Deputy Sheriff Armijo was also pointing ~~in~~ his gun at me.

I was confused; I did not understand what was happening. Deputy Sheriff Wright asked, shouting, if I understood what was happening in English. I said I did not. He asked for my ID. I went to get it at my bedroom. Deputy Sheriff Wright saw my ID and told another officer to tell me what was happening. (in Spanish)

I don't know which officer told me in Spanish that they were there looking for Maria Maldonado. That they were looking into a call made from Colorado. He said they were doing their job.

I was left scared, confused and in shock. I went to try to get a police ~~g~~ report that same week. I was told there was not a police report because no one was arrested.

We followed up met with Sargent Espinoza and he ~~was~~ gave me more information about the investigation.

He explained, the officers were doing a welfare check. I understand they were doing their job, but I was concerned there was no police report and that they assured Sgt Espinoza they did not use their guns.

As a victim of domestic violence, I would not ~~care~~ lie about seeing a gun pointed at me because many times I was in a situation in front of a gun.

All I would like is for an internal affairs investigation to make sure protocol was followed.

Thank you,

Rosa Maria Alcántara
